2. In view of the withdrawal of the guarantee given to the College of Engrg. Poona, with effect from the year 1947, the question of amending the B.C.S.C. & R. Rules will have to be taken up. Govt. has under consideration a unified Engrg. service instead of the B.S.E. Classes I & II Or issue of orders on that case, the question of amending the B.C.S.C. & R Rules may perhaps be taken up in consultation with the P. & S.D. and the P. S. C.

guarantee given to the College of Engrg., Poona, with effect from the year. 1947, the question of amending the B.C.* S.C. & R. Rules may be taken up.

Though the guarnatee for the Poona College may be withdrawn I will put down as my opinion that we should not resubmit same candidate in one class I and class II service that the results of the various universities are known by reference to P.S.C. there fishers should be given training in the Dept, to put them up for work in P.W.D. Direct recrutment of P.W.D. offices from inside has not been a success.

1. The guarantee system can no longer continue and may be dropped.

2, As regards recrutment to cl. I and II the matter is being considered separatly, in connection with proportion of posts for direct oppt. and for promotion.

3. Assuming that there will be no all India recrutment, the question will be if the number of posts for direct recrutment in Cl. I and II filled only after interview or after an examinition and interview. There posts are being considered separately I believe.

E.B. (III).

Resubmitted with refec . to the remarks of the secy. within .

2. Para. 1 of the Secy s note has been noted.

3. As stated by the Secy. (Para 2 of his note) the question of recruitment in con. with proportion of to classes I and II posts for direct apptt. and for promotion is under consideration Pl.see this Deptt. letter No. 1968/48 - E (I) dated the 12-6-50 addressed to P&S D.

4. As regards para.3 of the Secy. note, it may be stated that the question whether direct recruitment to Classes I and II should be made after interview or after an examination and in-terview , has been raised in file No. 9945/36 in connection with the question of combining class I and Class II services

Final Decision on this question will cover this point also
